

TOWN OF CATHARINE
TOWN BOARD MEETING
BUDGET HEARING
November 7, 2018

Members present: Supervisor John VanSoest; Councilpersons: Ronald Hoffman, C. Michael Learn, Jamee Mack; Guests: none

Opened the meeting at 7:30 p.m. with no public in attendance.

Went through the preliminary budget as presented by the Supervisor/Budget officer. There are some increases on line items and some decreases. The tax rate is actually going down about .5%. There may be some final adjustments before the next meeting when the board will vote on the final budget.

Janette Brown seems very interested in the position of town clerk and will meet with John before the next meeting.

The Highway repair bids—Ron and John have met with Tom Ruocco and will be meeting with Mr. Decker early in the next week. The Board will make a decision on the award of that bid at the next meeting.

John talked to the fingerprinting company and informed them that there are going to be changes in the office that may affect the fingerprinting.
