Zoning Report: Jamee Mack reported that there was a camper that burned in Alpine in which someone was living in. Another property in Alpine has had a camper on it and has moved in another camper with people residing in both. Also, there is a person in Alpine that is renting a camper in his driveway. Harold will be notified to look into this as these are violations in our Zoning Law.

There was no Supervisor's report. The Supervisor's Report will be presented at the December 30, 2019 meeting.

Highway Superintendent's Report: Marty reported that the roller was up and running. He suggested that we purchase the roller from Montour Falls as it could be used as a spare or for parts. Marty will talk to Montour Falls Highway to see what they are asking for their roller. They installed 3 driveway pipes, 1 on Terry Hill and 2 on Oak Hill. They have been dealing with ice and snow storms. The new truck is ordered and is expected in late February. Frank Garrison

painted the flag pole at the highway garage and assisted them, with the use of a boom truck, in installing a new rope and hooks along with a new flag.

RESOLUTION 79-2019

RESOLVE that the following bills be paid G227-G252 in the total sum of \$5,558.14 and H103-H113 in the sum of \$11,812.51.

Unfinished Business: We have received 1 quote for the electrical work at the Highway garage along with running electricity to the back storage barn and salt shed. It was decided to wait for a couple other quotes before making a decision. The Cottage Rd property is still in the process of being converted back to a garage per zoning. Peggy Tomassi said she would work with me on the Town's website.
