Unfinished Business: There will be a Public Hearing on March 10, 2021 at 7pm to go over the proposed Solar Law. No new information in shared services for Code Enforcement

New Business: Jim Allen is requesting to develop Connecticut Hill Campground on the corner of County Rd 6 and Connecticut Hill Rd. Mike Burns, Planning Board Chairman, gave a description of what Jim's plans are for the proposed campground. This currently does not fit into our Zoning Law. After much discussion it was decided that we contact Kristin VanHorn, Schuyler County Planning Director, to review our Zoning Law and recommend what our options are. It was decided that the only way this could possibly go through would be to change our current Zoning Law which requires a Public Hearing.

Motion to Adjourn by Jamee Mack, seconded by Ronald Hoffman. All in favor

Meeting adjourned at 8:20pm

Respectfully submitted
